

## CHAPTER 2 : EHV TRANSMISSION LINE DESIGN

### ASSIGNMENT -2

- ✓ Explain the use of bundle conductor in EHV transmission line. Also explain how the spacing , selection of size and number of conductors for EHV lines is done?
- ✓ Discuss Radio and television interference?
- ✓ Differentiate between shunt and series compensation?
- ✓ Discuss the application of HVDC System?
- ✓ Explain the corona effect and loss with standard formula?  
Explain tuned power lines?
